

Wayne County Fiscal Court Minutes  
Special Called Meeting  
January 30, 2009  
3:00 p.m.

Wayne County Fiscal Court was called to order by Wayne County Judge Executive, Greg Rankin with all magistrates present.

Judge Rankin made a proposal to purchase two new ambulances for the EMS.

All Magistrates discussed with Director Bubby Corder of the EMS why the County should purchase two new ambulances. Discussion continued on how many miles were on the old ones, and how much repairs cost the County each Month already.

The Judge and Magistrates concluded that they were not purchasing entirely new ambulances; the county is opting to use the boxes currently on the two vehicles. The boxes will then be remounted on the new chassis.

EMS Bubby Corder added by doing this process the County would be saving around \$10,000.00 to \$20,000.00 per vehicle.

Judge Rankin noted that they had received a \$10,000.00 grant last year and another \$10,000.00 grant this year to go towards the new ambulances.

The county was also recently awarded USDA funding that would cover 55 percent of the cost.

Judge Rankin informed magistrates that the EMS paid the last payment on the debt of three ambulances and on a couple of heart monitors, so this would not be adding to any existing debt.

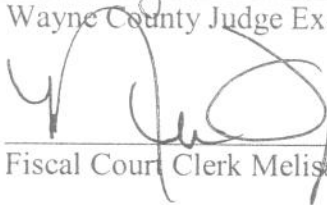

Bubby Corder added that he figured each truck would cost the County around \$97,000.00 to \$98,000.00 without using parts off of the old ambulances or \$60,000.00 to \$70,000.00 per truck only by using their remounts.

Judge Rankin committed that they would be keeping the old trucks and using them in the County.

Motion made by Richard Muncey to advertise for bids on two new ambulances. Motion was seconded by Danny Bell. All votes in favor.

Magistrate Richard Muncey made a motion to adjourn. Motion was seconded by Danny Bell. All voted in favor.
